

ULTIMATE TEXAS HOLD'EM

Ultimate Texas Hold'em™ features heads-up play against the dealer, the optional Trips and progressive wagers.

This game gives you several advantages:

- The earlier you bet, the more you can bet
- You don't have to fold until you see all the community cards
- The Trips bonus pays odds if your final five-card hand is a three-of-a-kind or better

GETTING STARTED

Make equal bets in the ante and blind circles. You may also make the Trips and progressive bets. You will then receive two cards.

BET BIG ... OR SMALL ... OR NOT AT ALL

When you get your two hole cards, you can either check or bet 3x-4x your ante. The dealer then reveals the three-card flop. If you haven't already made a play bet, you have a choice: check or bet 2x your ante. The dealer then reveals the final two community cards. If you haven't already made a play bet, you have a choice: fold or bet 1x your ante.

WINNING & LOSING

The dealer then reveals their two hole cards and announces the hand. If your hand beats the dealer's your play and ante bets win even money. If the dealer's hand beats yours, your play, ante and blind wagers lose. If you tie, those bets push. The blind pays if your winning hand is at least a straight (see layout for odds). If you beat the dealer with less than a straight, it pushes.

DEALER QUALIFYING

The dealer needs a pair to qualify. When the dealer doesn't qualify, your ante will push and be returned. All other bets placed will receive action.

PROGRESSIVE PAYOUTS

Progressive winners are determined from the player's two cards, and the first 3 community cards (the flop). The progressive bet qualifies you for payouts from the progressive jackpot. See payable for odds. Does not include the return of the original wager

TRIPS BET

Trips Bet is an optional wager that may be placed before the cards are dealt. Players must bet the Blind and Ante wager in order to place a Trips bet. Players will use the best five cards from the Player's two cards and the five community cards to create a Three-of-a-kind or better. Trips is independent of the regular hand play and is paid whether they win, lose or fold.
